

A whole lot of nothing going on!

There are times when people make something out of nothing, and probably nothing out of something. There are also people who say they want nothing when we asked them what they'd like as a gift, not to mention those people who have everything they could ever want; these people are the most in need of a whole lot of nothing!

Our gift of Nothing is the ultimate in minimalism, and thankfully doesn't require the enlightenment of Buddha to understand or enjoy; there's certainly no need to meditate in the Lotus Position for hours on end. Simply unwrap and enjoy!

No batteries are required; there is no need to subscribe to anything, and nothing to plug in. It's nothing special, but it could make ideal stocking fillers this Christmas for the man, woman or child who thinks they have everything.

Nothing is available from GettingPersonal.co.uk for £3.95, and this fun gift can be delivered free-of-charge when more than £30 is spent in one transaction. Items can usually be dispatched within 24-hours.

These Stocking Fillers are perfect ideas to fill anyone's Christmas Stocking. To explore our range of stocking fillers further, please visit our website at <http://www.gettingpersonal.co.uk>.
